CHAPTER 1

What Concierge includes

Concierge is a stateroom category, not an add-on. Every Concierge room comes with these.

- **A private lounge** from breakfast until about 10 p.m.: breakfast, light lunch, snacks and evening drinks
- **A private sundeck** one deck above the lounge
- **Concierge hosts** who help with your reservations
- **Priority check-in**, escorted first boarding and an escorted exit at the end
- **Upgraded bedding, toiletries and robes**
- **Priority cabana requests** at Castaway Cay (not guaranteed)

THE PERK THAT MATTERS MOST

Once your cruise is paid in full, Concierge guests can book dining, spa and port adventures ahead of everyone, including Disney's top loyalty members.

CHAPTER 3

The price, and our verdict

About 2×

the price of a verandah stateroom on the same sailing. One reported example, 7 nights to the Western Caribbean in June 2027: about $3,450 per person for a verandah and $7,500 for Concierge.

Budget for gratuities too: $27.25 per guest per night in Concierge, compared with $16.00 standard. It covers your stateroom team and the lounge crew.

Worth it if

- You'd book a suite anyway
- It's a milestone trip
- It's a short, sold-out sailing where dining and excursions go fast

Skip it if

- It's your first Disney cruise. Book a great verandah plus one memorable excursion.
- You won't use the lounge
